

A woman in blue scrubs is shown in profile, looking to the right. She is holding several books. The background is a vibrant blue with a cityscape and a bridge visible through her hair and the overall scene.

# UNIVERSITY/ PATHWAYS

The Institute of Health and Nursing Australia (IHNA) is one of Australia's premier providers of quality healthcare education and training. The Institute's key areas of expertise and course delivery are nursing, health and community services such as aged care, disability support and early childhood education and care, with research and development underway into new areas such as health management, health technology, health innovation, health informatics and global health.

IHNA is fast-growing, dynamic, and quality-driven institution committed to continuous improvement; working hard to develop, implement and deliver courses and professional development programs.

These Diplomas are articulated to Australian Universities' Bachelor Degrees

# SCHOOL OF ALLIED HEALTH

## CHC52015 - Diploma of Community Services (2 Years)

A career in community services offers a level of job fulfilment like no other.
